About Us

Asansol St. Anthony Secondary School was founded in 1998. A leading institution committed to shaping young minds and preparing them for a brighter future. We are an ICSE affiliated school, offering an all-encompassing, comprehensive education to children from Nursery to Class X. Our vision is to provide a nurturing environment that fosters academic excellence, emotional growth, and social development, laying a strong foundation for students to become responsible citizens.

Vision

To be a center of educational excellence, nurturing intellectual curiosity, creativity, and holistic development in children while embracing values, discipline, and respect for diverse cultures.

Mission

- To provide a child-centric education, making learning both enjoyable and effective.
- To promote academic, physical, emotional, and social well-being.
- To create global citizens who are equipped with critical thinking and problem-solving skills.
- To focus on character development and ethical grounding.

School Overview

Affiliation: Council for the Indian School Certificate Examinations (CISCE) Affiliation No-WB251

Medium of Instruction: English

Grade Levels: Nursery to Class X.

Curriculum: The school follows the ICSE curriculum, designed to provide a well-rounded education, including a blend of subjects, practical skills, and co-curricular activities.

Academic Structure

Nursery to Class V:

Our early education program focuses on foundational learning and the development of basic literacy and numeracy skills. Through interactive lessons, children are encouraged to explore their natural curiosity and develop a love for learning.

Classes VI to X:

The curriculum focuses on core subjects including:

Languages: English, Hindi, or any other regional language.

Mathematics: Ensuring problem-solving and logical reasoning skills.

Science: Physics, Chemistry, and Biology.

Social Science: History, Geography, Civics, and Economics.

Computer : A fundamental course in Computer.

Art & Craft, Music, Physical Education, and Moral Science: A range of co-curricular subjects.

Faculty

Our teaching staff is highly qualified, experienced, and committed to the academic and emotional growth of students.

Co-Curricular Activities

We believe that education is not just about academic learning but also about holistic development. To ensure the overall growth of our students, we offer a variety of co-curricular activities, such as:

Sports & Games: Football, Cricket, Athletics, and Indoor Games.

Cultural Activities: Dance, Drama, Music, and Debates.

Facilities

Our school is equipped with state-of-the-art facilities to support both academic and co-curricular growth, including:

Well-equipped classrooms .

Computer lab with internet access and educational software.

Library with a wide range of books, magazines, and online resources.

Sports facilities: A playground for outdoor activities, and indoor sports rooms.

Music & Dance room for creative expression.

Transport: Safe and comfortable school vans with well-trained drivers and attendants.

Admission Process

We aim to admit students who will benefit from our teaching methods and contribute positively to our school community. The admission process involves the following steps:

Application Submission: Parents must fill out the admission form available at the school office .

Eligibility Criteria:

Nursery: Children should be at least 3 years old by the start of the academic year.

Class I and above: Age-specific eligibility as per ICSE guidelines.

Entrance Test: For higher grades (Class I onwards), an entrance exam may be conducted to assess the child's proficiency in core subjects.

Interview: Parents and students may be called for an interview.

Final Selection: Based on performance in the entrance test, interview, and availability of seats.

Fees Structure

The school fees are structured to ensure access to high-quality education while maintaining affordability. A detailed breakdown of the fees, including tuition, transport, and extracurricular activities, is available upon request.
